

**BLUEBONNET ARABIAN HORSE CLUB**  
**VOICE OUT OF THE BLUE**  
September 2011

Hello BAHC friends. It's almost time for another Bluebonnet show! The weather has been somewhat better for riding so that has been a blessing!

The next show Open show will be September 24<sup>th</sup>, judged by Marian Buehler. Marian is a Natural Horsemanship expert and has multiple wins at the Class A and Regional level, as well as National Top Tens. She is also a judge of the well-known Road to the Horse competition.

There will also be a dressage show on October 8<sup>th</sup>, judged by Lisa Avila. Western dressage classes are being offered.

The September meeting took place at Marcella's restaurant in Ennis, TX. Guest speaker, Ginger Mensik, who was founding member of BAHC and the first president spoke after the meeting. She is a licensed hypnotist and massage therapist. She talked about how massage can help your riding pain and how hypnosis can help you overcome your fears and/or build your confidence. She also talked about massage for horses. It was very interesting and informative. Any one wanting to contact her about her services this way can call "**Healing is at Hand**" at **214-533-1196**.

Anyone interested in going on the **charity ride for Susan G. Komen** needs to contact LeeAnn if we want to make a team for our club. It will be in October 29<sup>th</sup> at the LBJ grasslands. Some of us went last year and it was a great experience and a beautiful place to ride. Anyone interested in going will need to fill out a form and collect sponsors for this event.

The web site is [komennorthtexas.org](http://komennorthtexas.org). Any comments or questions on the trail rides, call LeeAnn at 214-676-2385.

Carrie Wolverton is heading up the **Halter Futurity, October 15** and it should be a very fun event! You can bring foals from weanling up to three years old. They need to be full or half Arabian. We also need stallion entries for this event! We have lots of fun things planned so even if you don't have a horse to bring, come and join us!

The **next monthly meeting** will be October 11<sup>th</sup> at Marcella's Restaurant in Mesquite, TX at 6:30 p.m.

We are already excited about the fall shows! Have a fun and safe September and see you at the Open Show next week!

Happy Trails!

**3) 3 ponies for sale:**

**4 year old bay filly**, half-arab, 13.2 hands, well started under saddle, moves like a horse with long fluid stride, would be great for pony club, jumping, dressage. \$800.

**Yearling bay filly**, full sister to above, gentle, with lots of potential. \$350.

Also -**Looking for companion home for 14 year old mare**, pure bred Arabian, crippled. I can no longer justify keeping this mare with my financial situation and either have to put her down or find a home for her. She is NOT ridable, but could be used for breeding purposes. She is an O'Dirty Danser daughter out of an Alladdinn daughter, 15.2 hands and quiet. She is in good health, just has a bum knee. I give her 1/3 scoop of powered bute 2 times and day, and she is fine. If you know anyone who needs a companion horse,

**4) Black Arabian mare, 15 years old.**

She is mostly Polish breeding with mostly blacks and bays in her background. She is very gentle and has produced many very nice foals. She is broke to ride and has had a number of very nice foals (two that I have kept and still ride). She has never bucked or been a problem and my young daughter and her friends used to ride her a lot, but I wouldn't recommend her to a beginner because she hasn't been ridden in a few years. I discovered this spring that she has a number of cysts, which caused her to lose a foal so she may be done as a brood mare, but still good to ride! I have owned her for 12 years and love this mare and just want her to go to a good home. Make me a reasonable offer!
