The DAVID RIO™ organic tea line brings back an old favorite and introduces a new one

SAN FRANCISCO, CA- David Rio™ announces two new caffeine-free additions to its organic tea line. The **Mint Chocolate Infusion™** which is a unique and delicious blend of organic mint infused with chocolate essence. Also, one of the original teas in the David Rio lineup, the **Orange Ginger Mint Tisane™** is making a comeback and is a sweet blend of organic mint infused with ginger and orange essence. These two teas are great additions to David Rio's organic tea line and are the true standouts among the rest of this already unique tea line and are unrivaled by its competitors.

Not only is the tea organic, but part of David Rio's™ mission of becoming an eco-efficient company and lightening the impact on the environment, the tea is packaged in a facility that uses 100% wind power. The tea box is made from 100% recycled paper board (50-65% post consumer content) and the tea bags are made from unbleached filter paper.

David Rio™ organic tea line includes:

Mint Chocolate Infusion™: A lively and bright blend of organic mint infused with natural flavor.

Orange Ginger Mint Tisane™: A sweet blend of organic mint infused with ginger and natural orange essence.

Caramel Chamomile™: A soothing blend of organic chamomile infused with licorice & caramel essence.

Power Fruit™: An invigorating blend of organic green tea and acai berry infused with pomegranate & blueberry.

White Passion™: A fruity and aromatic blend of organic white tea infused with mango & pineapple essence.

La France Pear™: A refreshing and smooth blend of organic green tea & natural pear essence.

Fuji Apple™: A crisp blend of organic south India black tea infused with natural essence of apple.

English Breakfast: An original and hearty blend of organic India, Sri Lanka, & China black teas, that is Certified Fair Trade.

Earl Grey: A refined blend of organic black tea infused with safflower & bergamot essence.

ABOUT DAVID RIO™

Based in San Francisco, CA, David Rio™ blends and offers specialty tea and chai to connoisseurs around the world. Hand blended and handcrafted, these distinctive premium teas combine eastern tradition with western innovation and style.

David Rio™ began in 1996 as a catalog retailer, marketing a line of specialty tea and accessories to Japan. In response to demand, David Rio™ launched its line of chai and teas domestically. Today, David Rio™'s Endangered Species chai line and the Organic tea line are available in cafes, restaurants, and specialty food stores across North America, Europe and select countries around the world. David Rio™ has been featured in many trade and mainstream publications. As part of the company's mission to bring awareness to endangered species, David Rio™ is also a strong and dedicated supporter of animal causes.
