

Free Shipping Offer!

How do we provide FREE SHIPPING
when other retailers charge up to \$400 to ship the same item?

Our high-volume purchasing ability allows us to offer the most competitive prices
on brands of commercial equipment not usually discounted by other retailers.

Long-term contracts with the top national freight carriers also allow us
to receive significant discounts and pass the savings onto you!

Shipments to 45 States:

(excluding California, Washington, Oregon, Alaska & Hawaii)

Equipment orders are shipped **FREIGHT-FREE** to any Commercial Delivery Address.†
There is a \$50 charge for delivery to a residential address.

Parts & Accessories are billed at actual freight cost. (UPS or Federal Express)

Shipments to California, Washington, & Oregon:

"Equipment Orders" include only engine-powered products. Parts & Accessories are billed at actual freight cost.

Due to the instability of freight costs, we reserve the right to change these rates by notifying you before we process your order.

We ship to every address in the world. Contact us for Discounted Freight Rates in areas not shown.

† Commercial or Residential Delivery Address?

A Residential Delivery Fee is charged by all freight companies
for the cost of providing delivery to a residential address and/or the use of
lift gate service to safely lower your shipment to ground level.

**If your delivery is to a commercial address not located in a residential area
and you have a loading dock and forklift available, this fee may be waived.**

Please write "COMMERCIAL DELIVERY ADDRESS" in the "COMMENTS" section of our order form
or contact our Customer Care Department to see if your delivery address
qualifies as a commercial delivery location.
